

**The result of Grigori Grabovoi.
Testimony of Vitaly Kolpakov
The disappearance of liver
metastases and a decrease
in pancreatic tumor.**

After watching the program “The Third Eye” on June 30, 1997, with the participation of Grigori Petrovich Grabovi, I, Kolpakov Vitaly Ivanovich, went to meet Grigori Petrovich Grabovi.

After a face-to-facer meeting on 11th July 1997, a remote session was held on the same day from 22:00 to 23:00, as a result of which my liver metastases disappeared, which were 0.8-0.9 cm in diameter.

And the size of pancreas tumor decreased from 2-2.5 cm to 2-3 mm.
