I, M. Olga, live in the city of Ivanovo, used the devices of development of concentration of eternal life PRK-1U which are adjusted on medical profiles from March 10, 2020 to May 10, 2020

Used devices 1, 4, 5

Carried out concentration on lenses of devices 1 and 5 .

As for №4 for a coronavirus, just was in front of the device with video broadcasting

At the same time concentrated on number series from the books by Grigori Grabovoi

On 1 device 2145432 of the book by Grigori Grabovoi "Resurrection of people and eternal life from now on is our reality!"

On the 1 and 5 device I represented myself young.

I used the device 5 in all cases when it was necessary to ask in addition something concerning less considerable questions, for example to reduce euro exchange rate. And it decreased from nearly 87 rubles for 1 euro (20.04) to 80 for 10.05. 2020.

Carried out control using Grigori Grabovoi's methods, given for concentration on PRK-1U devices, but not on a regular basis, more often just concentrated on a small lens and twisted counterclockwise.

Received results: feelings in a thorax as though energy twists together with light stream from lenses, a pleasant joyful state. From the device №5 it seemed to me that there was a help and vibrations as from Grigori Petrovich Himself. I asked to help me with the work with literary texts.
