

Report

I, BNV, live in Moscow

used via the website med.grabovoi.tech the devices of development of concentration of eternal life PRK-1U which are adjusted on medical profiles from 17.03.2020 to 11.05.2020.

Used devices: **1.** PRK-1U with a function to **stop aging** and **to rejuvenate**. **2.** PRK-1U with a function to protect and to cure the human immunodeficiency virus (HIV) and to cure the acquired immunodeficiency syndrome (AIDS). **3.** PRK-1U with a function to protect and to cure cancer. **4.** PRK-1U with a function to protect against infection from coronavirus 2019-nCoV (COVID-19), that's been identified in China, and the function to cure disease caused by that coronavirus. **5.** PRK-1U with a function of development of concentrations which realize events that provide for eternal life for all.

Carried out concentration on the lenses of the devices on the purposes of control:

1. The cessation of aging of the organism, rejuvenation of the organs and systems of the physical body to ensure eternal life for myself and everyone. Creating the DNA of eternal life in the body by concentrating on the nucleus of the body's cells.

2. Prevention of access of information of a virus of an immunodeficiency to the organism, to my children and grandchildren. Information transfer of full treatment from an immunodeficiency virus to everyone sick in all countries to provide eternal life to myself and all.

3. Prevention of access of information of a disease of cancer to the organism, to my children and grandchildren. I didn't allow to transmit genetically into the future the information of a disease for myself, for my children and grandchildren for creation of conditions of disappearance of this disease on all planet and providing eternal life to myself and all.

4. Protection of my organism, of the organisms of my children and grandchildren against infection with a coronavirus for providing eternal life to myself and all. Work on the methods given by G.P. Grabovoi 19.03. 2020 for the purpose of control - complete cessation of spread of a coronavirus in all countries and treatment of all diseased without negative consequences - light from **Device 4** directed to the countries on the map placed on the computer monitor near online broadcasting of the working Device.

5. Worked on the following tasks for realization of the events providing eternal life to myself and all:

- Dissemination of the Teachings of Grigori Grabovoi's in all countries and implementation (development and deployment) of the technologies and instrument systems based on the methods stated in Grigori Grabovoi's Teachings.

- Realization of an event of private life - full rationing of health of the cardiovascular system of an organism and restoration of a condition of vessels of legs to the norm.

- Realization of an event at work - search of the employee on a vacancy for ensuring harmonious development of the enterprise in the direction of implementation of the tasks.

Simultaneously with the work on the devices, I concentrated on numerical series from the books of Grigori Grabovoi: - "Restoration of man's matter by concentration on number rows", volume 1 and volume 2 - "Restoration of a Human Body by Concentration on Numbers" - "Normalization of composition of chemical elements by concentration on numbers" - "Numbers for successful business".

Carried out control by Grigori Grabovoi's methods, given for concentration on PRK-1U devices: " The Teachings of Grigori Grabovoi about God. A method of use of the device of development of concentration of eternal life PRK-1U with the use of three lenses at the same time".

Received results: - Improvement of work of all cardiovascular system. The general power of an organism and working capacity raised... Noticeable improvement of a condition of veins of the lower extremities which was not before the work with **the PRK-1U 1 device**. - Recovery from the beginning of the disease of SARS completely in 1 day. Without the use of medications, using the device 5, it was possible to remove throat inflammation. –

Thanks to three sessions of concentration on **device 5** with the use of the numerical series and technologies recommended by G. Grabovoi for use in the sphere of business it was succeeded to find the valuable specialist on a vacancy for which could not find the candidate within 3 months.

I express infinite gratitude to Grigori Petrovich Grabovoi for the unique technologies and Devices saving life and providing the solution of the major tasks for each person and all people on Earth on the way to Eternal life.
