

REPORT

I, BAV, live in the city of LIMASSOL, REPUBLIC OF CYPRUS, used the devices of development of concentration of eternal life PRK-1U which are adjusted on medical profiles from 25.03.2020 till 08.05.2020.

Used devices 1, 2, 3, 5.

Carried out concentration on lenses of devices on tasks:

- 1) stop of the process of aging of my organism and activation of the process of rejuvenation of my organism on age of 18 years in the image of the Creator on age of 18 years for providing eternal life to myself and all (device number 1),
- 2) restoration of absolute norm of an atomic and molecular cellular texture and functioning of the system of my hemopoiesis and immune protection with simultaneous maximum strengthening of my immunity to the level of Divine norm to provide eternal life to myself and all (device number 2),
- 3) to provide eternal life to myself and all -prevention of developing of cancer diseases with simultaneous treatment from unknown cancer diseases, in case of their existence (device number 3),
- 4) to provide eternal life to myself and all at the same time - instantly to recover from chronic inguinal hernia (device number 5) on the left

At the same time concentrated on number series from the books by Grigori Grabovoi:

- 1) "Restoration of a human body by concentration on numbers". All number series from the table of contents of this book were twice read,
- 2) "Restoration of man's matters by concentration on number rows", volume 1 and volume 2. All number series from the table of contents of both volumes with simultaneous concentration on device number 5 were read.

Carried out control by Grigori Grabovoi's methods, given for concentration on PRK-1U devices:

- 1) "The Teaching of Grigori Grabovoi about God. Method of using the device of development of concentration of eternal life PRK-1U with the use of three lenses at the same time",
- 2) "The Teaching of Grigori Grabovoi about God. Method of using

the device of development of concentration of eternal life PRK-1U by means of use of the remote areas of Consciousness",

- 3) "The Teaching of Grigori Grabovoi about God. Method of using the device of development of concentration of eternal life PRK-1U by impulses on the Soul matter by Spirit impulses".

Received results:

Treatment from the left-side chronic inguinal hernia which arose in several years after the Cesarean operation performed in 2008. Planned operation was required. After several short concentrations on the PRK-1U devices adjusted on medical profiles, hernia just disappeared. And, I didn't pay attention at once to **instant** achievement of the result (because of a huge number of other tasks set on realization). The objective was achieved exactly as it was formulated, that is - instantly.
