TO ALL INTERESTED PERSONS

Applicant: Olga Yakovleva

STATEMENT

on the establishment of the fact of recognition of Grabovoi Grigori Petrovich
a healer and clairvoyant

Date and place of birth: I was born on 02.17.1958 in the village Gorokhovka, Voronezh region.;
number and series of birth certificate: My birth record was made by the registry office № 038242 I - HP
name of the document, series, number, by whom and when the document was issued: identity card:
passport XIX-NP No. 655676.

Due to the fact that I applied to Grabovoi Grigori Petrovich who was born on November 14, 1963 in the
village of Kirovsky, Kirovsky district, Chimkent region of the Kazakh SSR (who has the birth certificate of
series II - OG No. 463794, passport of the III-OG series No. 586058, issued 01.02. 1980), on 11/04/1997
in Moscow regarding tumors.

I declare that Grabovoi Grigori Petrovich is truly a healer.

I applied to Grigori Petrovich Grabovoi for help regarding neoplasms of the uterus of 0.5 cm in size.
This is confirmed by the results of the examinations of 01/09/92 in the Central Medical Center-122 of the
Ministry of Health of the USSR by doctor, professor V.P. Baskanov. and of 10.19.96 in the "Ulsonik"
educational institution by doctor Rodionova I.V.

G.P. Grabovoi spent three face-to-face sessions with me - 10/03/96, 10/21/96, 12/18/96, and an
extramural session - 11/20/96, and I myself did massage of certain points.

The entire treatment period was carried out without any medical and surgical intervention. My second
examination of an ultrasound of the pelvis of 03.03.97, in the Central Clinical Hospital by doctor Gromov
A.I. showed that the echostructure of the myometrium is heterogeneous, without focal inclusions,
pathological formations in the uterus were not detected.

My health improved a lot.

Copies of the examination results are attached.

Please certify my application on the basis of documents proving my identity and on the basis of the
above evidence.
