

TESTIMONY

about the extrasensory work of Grabovoi Grigori Petrovich,
Born on November 14, 1963 in the village of Kirovsky, Kirovsky district of Chimkent
region of the Kazakh SSR (having the birth certificate of a series II-OG No. 463794).

Place to fill out the certificate: RF, Moscow. Date: 1997.01.30

I, Buza Lyudmila Ivanovna,
date and place of birth: born October 23, 1960, Donetsk, Ukraine,
state: citizen of Russia
address of the place of residence and home phone: I live in the Republic of Sakha (Yakutia), c. of
Neryungri, av. Mira, 5, apt. 21, tel. 6-08-53;
name of the document, series, number, by whom and when the document was issued: I have an
identity card passport V-CH No. 633176, the Department of Internal Affairs of the city of Neryungri of the
Republic of Sakha (Yakutia) November 14, 1995;
place of work, position and office phone numbers: I work in the State Unitary Enterprise "Yakutugol",
the Department for Technical Control and Quality of Coal, an emergency engineer and a safety officer.

I, Buza Lyudmila Ivanovna, certify that when I contacted Grabovoi Grigori Petrovich, Buza Vladimir
Georgievich, born on December 4, 1952 in Donetsk, Ukraine was diagnosed with a malignant tumor of
the pancreatic head with germination in the duodenum, established in the Moscow Scientific Research
Institute of Diagnostics and Surgery (MNIIDiH) December 17, 1996. The first session was held on
December 25, 1996. The absence of oncology was established on January 10, 1997 in the Donetsk
Regional Diagnostic Center and on January 29, 1997 in the Moscow Research Institute of Hygiene and
Diseases. In fact, Grabovoi Grigori Petrovich healed my husband of inoperable pancreatic head cancer
with germination in the duodenum in one session.

This evidence is a fact of extrasensory work in the field of cancer cure.
(Signed) Buza L.I. 1997.01.30.

January 31, one thousand nine hundred and ninety-seven, I, L. Vroblevskaya, notary of Moscow,
