TO ALL INTERESTED PERSONS

Applicant: Kodintsev Aleksey Mikhailovich

STATEMENT
on the establishment of the fact of recognition of Grabovoi Grigori Petrovich
a healer and clairvoyant

Name of the document, series, number, by whom and when the document was issued: I have an identity card: passport IV-AI No. 580810.

Due to the fact that I applied to Grabovoi Grigori Petrovich who was born on November 14, 1963 in the village of Kirovsky, Kirovsky district of the Chimkent region of the Kazakh SSR (having a birth of II-OG series No. 463794), on November 27, 1996 I applied to Grabovoi Grigori Petrovich about the cancer of my wife Kodintseva K.A.,

I declare that Grabovoi Grigori Petrovich really through his healing actions contributed to the healing of my wife. During treatment, she applied the technique prescribed by Grigori Petrovich, and after the first session she the metastases from the adrenal glands and spleen disappeared, which is confirmed by the results of an ultrasound examination of internal organs conducted in the Ozyorsk Central District Hospital. Currently, she is undergoing a healing process, an appetite appeared, the swelling of the extremities gradually decreased, headaches have passed.

Please certify my application on the basis of documents proving my identity and on the basis of the above evidence.

The spleen is slightly increased in size, and there are three large of increased echogenicity, rounded metastases and similar single small ones are determined in the parenchyma.

The position and size of both kidneys are normal. No calculi were detected, the mobility of the kidneys was satisfactory, the pyelocaliceal systems were not expanded. On the right side in the adrenal gland, a distinct, increased echogenicity, oval 3.0 × 2.0 cm in size formation, probably metastasis of the adrenal gland.

CONCLUSION: metastasis of spleen, metastasis of adrenal gland on the right.
