- At the same time carried out concentration on number series 4986489, 548748978 on protection and treatment against the coronavirus found in China 2019-ncov (Grigori Grabovoi's performance at a web conference in Italy on March 19, 2020); - did not carry out concentration on number series from books.

4. - Carried out control using Grigori Grabovoi's methods on work with PRK-1U - did not use Grigori Grabovoi's methods on work with PRK-1U.

### 5. Received results:

**Improvement of health:** steady normal health in a former healthy state is prolonged

**Treatment:** the effect on the cessation of aging and rejuvenation is maintained (a vigorous condition of an organism, working capacity, clarity of thinking, a positive spirit)

Improvement of a situation on protection against infection and treatment against the disease caused by a coronavirus 2019-ncov ((COVID-19), found in China:

- in the world: results in publications of media;

- in Russia: WHO announced stabilization of a situation with a coronavirus in Russia, the indicator of recovery of the infected people increases;

- in Stavropol territory: lately the indicator of lack of mortality from a coronavirus (for the entire period it is 20 people) keeps steady,

the indicator of recovery of the infected people increases, there is preparation for mitigation of the mode of self-isolation (according to operational headquarters).

I express huge gratitude to G.P. Grabovoi for the provided unique inventions which do not have analogs in the world and knowledge given to mankind in the Teachings "On Salvation and Harmonious Development" for the benefit of all!
