

Report

I, **L Alla A.**, live in the city of Sarov of the Nizhny Novgorod Region, Russian Federation,

applied :

- via the [website pr.grigori-grabovoi.world](http://pr.grigori-grabovoi.world) (live broadcasts) the PRK-1U device - in the third mode and the PRK-1U device three-mode in the second mode in February-April, 2020,

- via the website med.grabovoi.tech devices of development of concentration of eternal life PRK-1U, adjusted on medical profiles, from April 20 to April 30, 2020,

control with the following **purpose:**

restoration of the norm of fingers skin of the right hand - – purification of the formations of skin changes of viral origin - of warts.

1. Used device No. 4 "PRK-1U **with function of protection** against infection **coronavirus** 2019-nCoV (COVID-19), found in China, and **with a function of treatment** from the disease caused by this coronavirus".

2. - Carried out concentration on lenses of devices.

3. - At the same time carried out concentration on number series from the book by Grigori Grabovoi "Restoration of a human body by concentration on numbers" (Using number series "Warts - 5148521" worked also without PRK-1U device).

4. - Carried out control by Grigori Grabovoi's methods on work with PRK-1U: providing eternal life to myself and everyone, development of concentration of eternal life on any event - "The Teaching of Grigori Grabovoi about God. Method of use of the device of development of concentration of eternal life PRK-1U by impulses on Soul matter through action of Spirit", "The Teaching of Grigori Grabovoi about God. Method of use of the device of development of concentration of eternal life PRK-1U by combination of interaction of Spirit and Consciousness", "The Teaching of Grigori Grabovoi about God. Method of use of the device of development of concentration of eternal life PRK-1U by means of use of the remote sites of Consciousness", "The Teaching of Grigori Grabovoi about God. Method of use of the device of development of concentration of eternal life PRK-1U using three lenses at the same time".

5. Received results:

Formations of **virus** origin (warts), first of which appeared on middle finger of the right hand in October, 2016 (over time their number has increased to 12 on three fingers of the right hand about 2x3 mm in size), for the last month gradually began to disappear; several pieces were gone almost completely - without any trace (!!!), others have to descend soon as well.

Paid attention that the right leg papilloma decreased in size too.

Date of the report: **May 11, 2020** /A.A. L/.
